## Mochi

Our mochi is made fresh daily, Mondays - Saturdays

It is best to call a day ahead and place an order as sometimes we run out quickly - and you don't want to be disappointed...like *really* disappointed. But for real. Not joking.

## MOCHI CARE INSTRUCTIONS

Our mochi is best eaten fresh - the day it is bought.

If you keep it cool it will last for 1 - 2 days. Refrigeration tends to dry it out.

-or-

Put in a Ziploc freezer bag right away and freeze. It freezes well.

Thaw by letting it reach room temperature. DO NOT microwave as it might get hard.
